DEAR CUSTOMER

Welcome to Electronic Arts. I'd like to take this opportunity to introduce you to our new and exciting products for the MSDOS™ platform and also to invite you to join us in our anniversary celebrations. Electronic Arts Inc. is celebrating its 10th year anniversary and Electronic Arts Ltd (Europe) is celebrating its 5th year anniversary.

We are pleased that we are able to offer new and technologically breathtaking products for the entire family to explore and enjoy. Ten years ago we took a pledge to fulfil the promise of home computing. We are still committed to that promise and as hardware specifications and performance has advanced over the years, EA Studios and our Affiliated Partners have renewed the commitment to bring you the best in Interactive Entertainment.

I invite you and your family to look through this catalogue and anticipate the world of entertainment that can soon be on your computer. Drive the car of your dreams, or experience the thrill of air combat with Chuck Yeager as your instructor. Search Victorian London as Sherlock Holmes with a heinous murder to solve. Play basketball with Michael Jordan or the entire USA Dream Team that won the gold at Barcelona. Play golf with the Pros on the PGA courses or test your wits against the captains of Populous II and PowerMonger. Navigate with Kirk, team up with the Marines, orbit the earth with Buzz Aldrin, command battlefields from ancient Rome to the Mediterranean. From the golf course to the race course, from the skies to the earth we invite you to spend hours of enjoyment pitting your wits against some of the finest personalities in history.

The most important part of EA's work is to ensure that YOU the customer gets a chance to experience and enjoy the worlds that we create. I hope that by looking through this catalogue you will find the adventure of your dreams in interactive entertainment. Please drop us a line and let us know what you think about our product line and thank you for your continuing support of our endeavours.

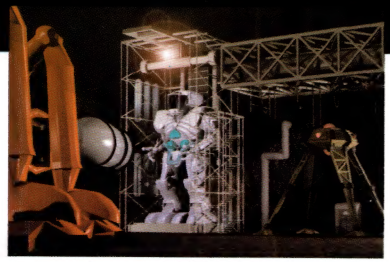
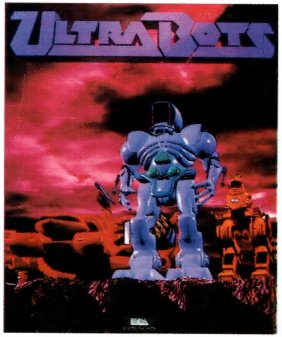
ULTRABOTS



An alien craft enters Earth's orbit and releases a deadly cargo of mammoth robotic machines. As they begin their systematic destruction of mankind, only one hope remains: a fleet of retro-fitted Ultrabots under your control. This astonishing game, rendered in feature film-quality 3D modelled animation, skilfully blends a futuristic robot theme with simulated cockpit controls and military arcade action to create an all-out explosive experience!

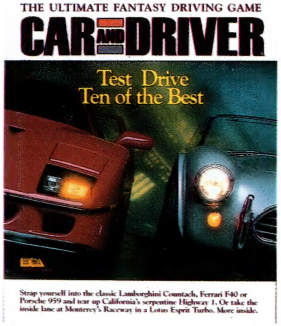
- Realistically rendered with ray-traced, 3D modelled animation.
- Control multiple Ultrabots – jump from cockpit to cockpit during the heat of battle.
- Customise your Ultrabot with sensor enhancers and weapons upgrades.
- Spot the enemy with computer generated maps and visual displays.



CAR AND DRIVER®

Ever wanted to test-drive Car and Driver's best sports cars for real? Now you can! Drive 10 of the world's fastest cars from the Ferrari F40 to the Eagle Talon on 10 varied roadways. Speed past your opponents on real roads like California's Highway 1 accurately reproduced with USGS survey data. Or take your chances on a fantasy drag strip or the mall parking lot. For the ultimate challenge go head-to-head with a friend via modem! Look for future data disks with more cars and tracks.

- Choose from five high performance models, three rare classics, and two popular production cars.
- Drive in any direction; even go off-road!
- Rendered in stunning hi-res 256 colour VGA graphics.
- Supports AdLib™, Sound Blaster™ and Roland™.



THE ULTIMATE FANTASY DRIVING GAME
CAR AND DRIVER
Test Drive
Ten of the Best
Strap yourself into the classic Lamborghini Countach, Ferrari F40 or Porsche 959 and tear up California's serpentine Highway 1. Or take the inside lane at Monterey's Raceway in a Lotus Esprit Turbo. More inside.

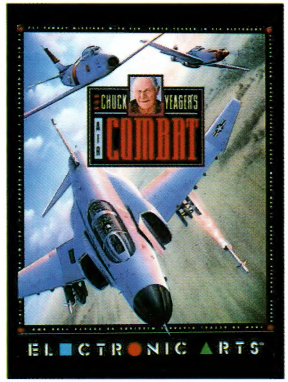
CYBERFIGHT™

Recruit five ordinary mortals and train them to the peak of mental and physical perfection. Do battle in mighty exo-skeletal fighting machines before a hostile arena of thousands.

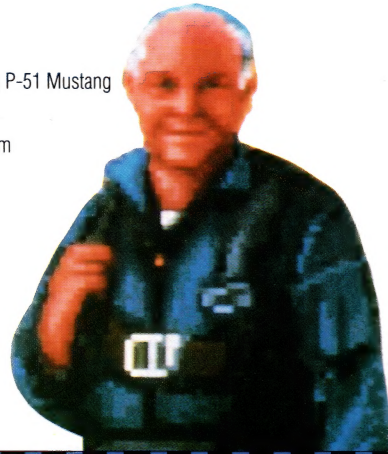
- 1 or 2-player simultaneous game play for fast and furious combat.
- "Real-world" game technology accurately models:
  - Rocket exhausts and explosions.
  - Physical forces of gravity, inertia and friction.
- Devastating weapons include flame throwers, missile launchers and nuclear warheads.
- Robots run, jump and fly in fluid, realistic motion.
- Supports 256-colour VGA graphics, SoundBlaster and Roland sound.

CHUCK YEAGER'S AIR COMBAT™

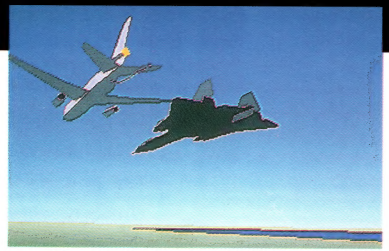
The ultimate in air combat. Fly with Chuck Yeager in 50 historic missions from 3 different eras: World War II, The Korean War and Vietnam. Use the Mission Generator to create your own missions and fight aircraft from different eras. Stunning graphics combined with white-knuckle action makes this one of the premier flight simulations on the market.



- 4 levels of difficulty.
- Choose from 6 planes including P-51 Mustang and the MiG-21.
- Receive personal instruction from Chuck Yeager.

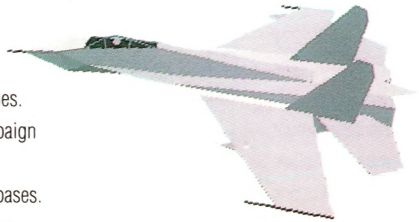


BIRDS OF PREY™

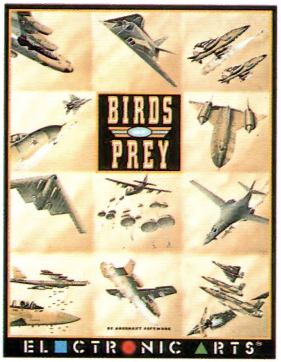


By Argonaut Software

Armed with 40 front-line aircraft, your mission is to devastate the enemy's land, sea and air forces while protecting your own. Birds of Prey is a unique simulation of modern warfare. You'll not only experience every aspect of modern air combat but you'll also discover the pure power of 40 fighting aircraft.



- Accurate flight dynamics and weaponry for all 40 planes.
- Play 12 individual scenarios or an on-going war campaign comprised of "integrated" missions.
- Launch your attack from aircraft carriers and land air bases.
- View the action from allied or enemy aircraft at any time.

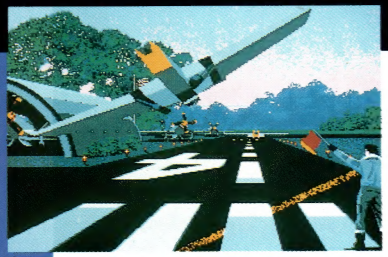


SEAL TEAM

The RAT SONG security region is overrun with guerrillas and it's your job to lead your SEAL team into the heart of enemy territory and disrupt their operations. Conduct ambushes, kidnapping, recon, booby trap and arms cache demolition. Set in the Mekong Delta region of Vietnam from 1966 to 1970, SEAL Team is a realistic simulation of U.S. Navy SEAL operations against the Viet Cong and NVA.

- Relive the daring exploits of the U.S. Navy SEALs on dozens of realistic missions.
- Work as a team to outwit the Viet Cong and the NVA to complete your missions.
- Rendered in 256 colour VGA graphics for stunning realism.

HEROES OF THE 357TH™



Enlist in the 357th Fighter Group and fly with real WWI heroes as your wingmen. Join Leonard "Kit" Carson, Bud Anderson, and other famous American Aces in a classic fight against Hitler's deadly Luftwaffe. As a member of the squadron, nicknamed the "Yoxford Boys", receive authentic briefings and undertake the actual bomber missions that they flew over Germany.

- Fly your P-51 Mustang on 7 historical mission types.
- Arm your aircraft with special weapons including rockets, bombs and 20mm cannons.
- Authentic newsreels, bit-mapped explosions and cinematic sequences.
- Unique camera control for multiple view angles.
